

ELLY ONUNGA

Mathematics & Physics Teacher | IGCSE & STEM Specialist

Nairobi, Kenya | +254 710 297 603 | onungaelly@gmail.com

PROFESSIONAL SUMMARY

Mathematics and Physics teacher with 5 years of classroom experience across the Edexcel IGCSE, CBC, and 8-4-4 curricula. Raised my class pass rate from 42% to 76% through targeted revision, differentiated instruction, and consistent tracking. Comfortable leading a classroom and a curriculum planning process, and I've recently added practical AI skills — prompt engineering, agentic workflows, and automation — to bring more effective, tech-enabled teaching into the classroom.

WORK EXPERIENCE

Centre Coordinator, Brightening Education Centre

Aug 2024 – Present

Nairobi, Kenya

- Coordinate timetables for teachers and students, keeping the centre running on time and reducing scheduling conflicts.
- Contribute to ongoing curriculum development in line with national education standards.
- Maintain accurate student and staff records to support academic planning.
- Train and onboard new teaching staff so lessons stay consistent across the team.

Senior Mathematics & Physics Teacher, BDS Secondary School

Jan 2021 – May 2024

Nairobi, Kenya

- Raised class pass rate from 42% to 76% through targeted revision strategies, differentiated instruction, and regular student feedback.
- Planned and delivered curriculum aligned to 8-4-4, CBC, and Edexcel IGCSE standards.
- Tracked student progress with formative and summative assessments, producing detailed academic reports for school leadership.
- Brought digital tools and interactive resources into lessons to improve engagement and outcomes.
- Coordinated departmental activities, including academic reviews, staff meetings, and reporting.
- Organised extracurricular activities, academic competitions, and school-wide programs.

Digital Marketing Simulation Intern, Travler (via Craftex Platform)

Apr 2026 – Ongoing

Remote

- Took part in a structured digital marketing simulation covering content strategy, audience engagement, and brand communication.
- Built practical skills in digital analytics, campaign planning, and professional adaptability.
